**PETITION TO REVIVE AN UNAVOIDABLY OR UNINTENTIONALLY ABANDONED
APPLICATION UNDER 37 C.F.R. §1.137(a) and (b)**

Dear Sir:

This petition is being submitted in response to a March 13, 2007 Notice of Abandonment. The Notice states that the Applicant failed to timely pay the required U.S. Basic National fee within the statutory period of 30 months from the January 17, 2005 international filing.

05/10/2007 6FREY 00000032 10590616

250.00 OP

Failure to pay resulted from the non-receipt of a notice to file missing parts. The attorney of record, on August 24, 2006 timely filed an application to initiate national proceedings pursuant to 35 U.S.C. 371. The application contained all required elements, except for a signed declaration and a fee check. Consequently, the attorney of record expected to receive a notice of missing parts which would allow the applicant to submit both documents. However, according to Private PAIR, no notice to file missing parts had been sent from the USPTO.

Concerned about the status of the application, the attorney of record sent a Status Inquiry on January 19, 2007 (confirmation enclosed). Rather than receiving a response to the Status Inquiry, the attorney of record received the Notice of Abandonment. Up to this time, it was impossible to verify the status of the application as access to it via Private PAIR had not been granted even though the original documents correctly identified the office of the attorney of record who has a Private PAIR account. Had the Patent Office sent a Notice of Missing Parts or had counsel been granted Private PAIR access, the abandonment would have been avoided.

Revival of this application after its unavoidable abandonment is respectfully solicited. The small entity revival fee for the instant petition is enclosed herewith per 37 C.F.R. §1.17(l). Further, the entire national fee along with the fee calculation sheet are enclosed.

Alternatively, if the above basis is not sufficient to revive the application due to unavoidable delay, revival of this application is respectfully solicited as the abandonment was unintentional. If there are any deficiencies or overpayments in the enclosed fee check, the Office is authorized to charge or credit the undersigned's PTO Account No. 501709.

I hereby declare that all statements made herein are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of
